

Mount Shasta is a vortex that connects you to the heart of all. We become one with the land and the Lemurian wisdom that resides here and enter into heart-centered consciousness. With the mountains, vortex lakes and waterfalls we expand our mind and heart with the crystalline light beings of Inner Earth. The joy of soul level connections is fulfilled in deep friendship. We become our multidimensional self and reunite with our earth and star lineages.

LIGHTBODY ACTIVATION AND EXPANSION
THE LEMURIAN HEART RAY AND CRYSTALLINE TECHNOLOGY
UNITY IN LOVE

HIGHLIGHTS

- Meditate on the sacred Mount Shasta.
